Misty --

For the last several years, our family has spent Eric's birthday surrounded by the people of L.A., first his constituents from his district and, over the last few years, so many of the people who stepped up to support Eric's campaign for Mayor.

We wouldn't have done anything differently, and, although I am thankful that this year we're going to try to be a little more low key, I think Eric may be missing the excitement of a big gathering -- and especially missing you.

[As a surprise to him, will you sign Eric's birthday card? It would mean so much for him to hear from people who care as much about L.A. as he does.](#)

Your wishes -- and the time Eric will spend with his family today -- will make for a perfect birthday.

Thanks so much.

-- Amy Elaine

[P.S. Share this card with your friends and family after you sign it so they can sign it, too.](#)

 Happy Birthday, Eric!
